INTER-LOCAL AGREEMENT

Yakima County Technology Services	Agency	Wapato PD
217 N First Street	Street Address	205 S. Simcoe Ave
Yakima, WA 98901	City, State, Zip	Wapato, WA 98951

1. Purpose

This Inter-Local Agreement Number, 2014-047, (ILA) is executed by Yakima County Technology Services (YCTS) and Wapato PD. This ILA sets forth the obligations of the parties with respect to YCTS' provision of business related technology services. Wapato PD will be referred to in this document as 'the Customer', and Yakima County will be referred to as 'the County'.

2. Term and Termination

The term of this ILA is effective upon the date of execution by both parties and shall remain in full force and effect through one year. Renewal will be automatic upon customer signing a yearly Service Locations and Costs form unless termination notification is given in writing 90 days in advance.

This Agreement will not be in effect during any period of interruption to YCTS' processing capability which is caused by a disaster, as declared by the Director of YCTS.

3. Scope of Agreement

The services covered by this ILA are detailed in Attachment A.

All information and data produced by and for the customer is the property of the customer who is solely responsible for its stewardship, retention and production, according to the applicable laws and statutes of the State of Washington. Data and information will be made available to the customer in an agreed to form suitable to migration, should this ILA be terminated.

4. Service Costs, Billing and Termination Liability

The customer agrees to pay YCTS all nonrecurring costs (purchase, configuration and installation) and recurring yearly costs, fees, and charges associated with the Services that are requested. The rates for the yearly charges for the 2015 fiscal year are listed in Attachment A.

YCTS will bill the customer: Annual ☒ Monthly ☐ Quarterly ☐

for these services, with billing commencing on the date of acceptance of services to that site. Recurring yearly costs for services are recalculated each year. By signing a Services and Costs form yearly, the customer agrees to pay for services at that year's prices.

Renewal will be automatic unless termination notification is given in writing 90 days in advance. Customer agrees to pay any termination liability assessed by a third party vendor on YCTS.

5. Technology Services Help Desk

The YCTS Help Desk is staffed 8 hours per day, 5 days a week. The Help Desk telephone number is 509-574-2000.

There may be some shifts during normal business hours when a technician is not immediately available. If the phone is busy or if the technician is away from the phone working on other problems, the caller will be asked to leave a voice mail message.

6. Network Maintenance

YCTS reserves the right to schedule and to perform system maintenance as necessary. Notification is typically provided by e-mail five days in advance unless an emergency exists.

7. Problem Management

Problem Reporting

The YCTS Help Desk will collect information from the customer and open an electronic trouble ticket. Information needed for problem reporting and tracking will include:

a. name of person reporting problem
b. return call telephone number
c. person and location experiencing the problem
d. description of the problem
e. when the problem started

The YCTS Help Desk typically refers problem tickets to technicians, during working hours, within ½ hour of initial receipt of the problem report. All requests for service should be routed through the County help desk.

Most problems will be resolved during business hours. Those issues that are deemed to be critical in nature may be addressed after hours when approved by YCTS.

Problem Resolution

A problem will be considered resolved when the service becomes fully functional again and service performance is acceptable to the customer.

8. Inter-local Agreement Changes

The ILA may be modified at any time upon mutual written agreement of the parties. All such modifications will be made as an amendment to the ILA and will take precedence over the original ILA.

9. Authorization/Acceptance

This ILA constitutes the entire agreement between the parties and supersedes all other communication, written or oral, related to the subject matter of this ILA. Customer hereby authorizes YCTS to perform the services described. The Parties hereby acknowledge and accept the terms and conditions of the ILA.

IN WITNESS WHEREOF, the parties have executed this Inter-local Agreement.

Disclosure

1. Nondisclosure of Confidential and Personal Information

Yakima County acknowledges that some of the material and information that may come into its possession or knowledge in connection with this contract or its performance may consist of information that is exempt from disclosure to the public or other unauthorized persons under Chapter 42.56 RCW, or other state or federal statutes ("confidential information"). Confidential information includes, but is not limited to, names, addresses, Social Security numbers, financial profiles, credit card information, driver's license numbers, medical data, agency source code or object code, agency security data, etc or information identifiable to an individual that relates to any of these types of information. Yakima County agrees to hold confidential information in strictest confidence and not to make use of confidential information for any purpose other than the performance of this contract, to release it only to authorized employees or subcontractors requiring such information for the purposes of carrying out this contract, and not to release, divulge, publish, transfer, sell, disclose, or otherwise make the information known to any other party without purchaser's express written consent or as provided by law unless such disclosure is required by law. Yakima County agrees to release such information or material only to employees or subcontractors who have signed a non-disclosure agreement, the terms of which have been previously approved by purchaser. Yakima County agrees to implement physical, electronic, and managerial safeguards to prevent unauthorized access to Confidential Information.

"Personal information" including, but not limited to, "protected health information" (PHI) under the Health Insurance Portability and Accountability Act (HIPAA), individuals' social security numbers collected, used, or acquired in connection with this contract shall be protected against unauthorized use, disclosure, modification or loss.

HIPAA establishes national minimum standards for the use and disclosure of certain health information. Yakima County must comply with all HIPAA requirements and rules when determined applicable by the purchaser. If purchaser determines that (1) purchaser is a "covered entity" under HIPAA, and that (2) Yakima County will perform "business associate" services and activities covered under HIPAA, then at purchaser's request, Yakima County agrees to execute purchaser's business associate contract in compliance with HIPAA.

Yakima County shall ensure its directors, officers, employees, subcontractors or agents use personal information solely for the purposes of accomplishing the services set forth herein.

Yakima County and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the agency or as otherwise required by law.

Any breach of this provision may result in termination of the contract and demand for return of all personal information. Yakima County agrees to indemnify and hold harmless the State of Washington and the purchaser for any damages related to both: (1) Yakima County's unauthorized use of personal information and (2) the unauthorized use of personal information by unauthorized persons as a result of Yakima County's failure to sufficiently protect against unauthorized use, disclosure, modification, or loss.

2. Compelled Disclosure of Information

Notwithstanding anything in the foregoing to the contrary, Yakima County may disclose data pursuant to any governmental, judicial, or administrative order, subpoena, discovery request, regulatory request or similar method, provided that Yakima County promptly notifies, to the extent practicable, the customer in writing of such demand for disclosure so that the customer, at its sole expense, may seek to make such disclosure subject to a protective order or other appropriate remedy to preserve the confidentiality of the information; provided that Yakima County will disclose only that portion of the requested information that, in the written opinion of its legal counsel, it is required to disclose. Yakima County agrees that it shall not oppose and shall cooperate with efforts by, to the extent practicable, the customer with respect to any such request for a protective order or other relief. Notwithstanding the foregoing, if the customer is unable to obtain or does not seek a protective order and Yakima County is legally requested or required to disclose such information, disclosure of such information may be made without liability.

3. Public Information Requests

a. The customer will be responsible for providing the tools to recover email for a public information request.
b. The County will install and maintain those tools as a part of the process of supporting the customer's email system.
c. The customer will be responsible for using those tools to recover email for a public information request.
d. Customer agrees that fulfillment of a Public Information Request will result in addition hourly costs at the current hourly rate.

RESOLUTION NO. 2015-17

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WAPATO, WASHINGTON, APPROVING THE INTERLOCAL AGREEMENT WITH YAKIMA COUNTY TECHNOLOGY SERVICES

WHEREAS, the City Police Department is in need of technology services and previously contracted with Yakima County, which can and does provide the needed services, and is willing to provide them to the City of Wapato; and,

WHEREAS, the City staff reviewed the contract and reduced the services provided to include only those services that were necessary and not duplicative; and,

WHEREAS, the technology services are essential for the City Police Department and no one currently on staff has the knowledge or capability to provide those services; and,

WHEREAS, the City Council of the City of Wapato finds it is in the best interests of the residents of the City of Wapato to enter into an interlocal agreement for technology services for the Wapato Police Department with Yakima County Technology Services;

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WAPATO, WASHINGTON, AS FOLLOWS:

1. The City Council authorizes the Mayor to sign the Interlocal Agreement with Yakima County Technology Services for their technology services. A copy of the Agreement is attached hereto for reference as Exhibit "1".

2. That this resolution shall be in full force and effect upon passage and signature, and after the Agreement between the City of Wapato and Yakima County Technology Services becomes effective.

PASSED BY THE CITY COUNCIL this 20th day of July, 2015.
