# Open House on 2016 City Construction Projects

The public is invited to review design concepts and project information at the open house at the City Hall on Wednesday, February 24, 5:00 pm - 7:00 pm. City staff and consultants will be present to answer questions and listen to public input.

The projects shown below have been funded by the use of your vehicle license fee (\$20 per vehicle per year) as local match to obtain State grants. They will be constructed in 2016. Hopefully you will be proud to see your \$20 vehicle license fee at work.
