

The City of Wapato is having a Video Contest Program for 6th, 7th and 8th grade students. Students will create their own teams of 5. They will be in competition to win \$500 for first place, \$300 for second place and \$100 for 3rd place.

The students that participate will have to attend all the workshops that are listed on the calendar. The workshops will be held at The Wapato Community Center.

They will learn to work together, record, edit and produce a product they are proud of. The video will be about how they can improve The City of Wapato, more details will be given on Wednesday, April 26th.

We will have guest speakers and a banquet at the end of the program.

Students will be using their own phone and any editing app their phone contains or they can download.

Volunteers will be chaperoning the students while they are recording.

This program is free to all students!! For more information feel free to call Barbie Perez at (509) 834-9942.

I, undersigned, assume all risk and hazards associated with the above described 2019 Video Contest Program in which my child will be participating. I waive all right to bring a claim, action, or suit against The City of Wapato or any volunteers, for damages or injuries suffered as a result of participating in the program.

I also give permission for The City of Wapato to use any pictures taken during the program.
